Columbia Park is an active adult community that features a variety of single- and double-wide manufactured homes ranging from 980 to more than 1,800 square feet. These quality-built homes come with an array of amenities such as fireplaces, large kitchens with ample storage and counter space, walk-in closets, decks, enclosed patios, and energy-efficient heat and air conditioning. Homes are all located on wide, curved, tree-lined streets and cul-de-sacs.

Multiple floor plans and designs of manufactured homes are available in this Olmsted Township park.

Step Inside

Columbia Park features spacious estate-sized lots, with concrete patios, walks and driveways, that are located in a park-like setting. A nearby shopping plaza features a grocery shopping, pub, restaurants, barbershop, and laundry facilities. An on-site Social Hall is open daily for residents use and includes a library. Residents can take part in many activities, such as bingo, movie night, fun night, and crafts. The Social Hall is also used for voting and health services.

A community gazebo, surrounded by trees, grills and tables, is the perfect place for a picnic or small gathering in the warm seasons. Small pets are welcome.

The Community

Columbia Park features nearly 1,000 homes on more than 230 acres. It features a manned gatehouse entrance, spacious home sites with mature landscaping, well-lit streets, and a dog and walking path. Onsite management and maintenance offer very personalized service. New, used and custom-built homes are available.
